Letter No.M.L.C.43/25-26 dated 3rd September 1925, from the Deputy Commissioner, Tumkur District, to the Revenue Commissioner in Mysore, Bangalore.

Adverting to letters Nos.H.C.756/20-21 dated 26th February 1921 and 17th June 1921 in the matter of the grant of about 2½ acres of Government land within the Municipal limit of the Tumkur Town near the Railway Station to His Holiness the Murga Rajendraswami for the purpose of constructing a Veerasaiva Hostel at an upset price of Rs.200/- per acre and to the Government Order No.L.1222-6/H. 164-21-2 dated 31st August 1921 sanctioning the grant of this land for the above purpose at the above rate, I have the honour to state that the main building of the Veerasaiva Hostel has been constructed on a portion of this land, and the ramaining land was represented to me to be not sufficient for the construction of the kitchen lines. On the representation of the Hostel Committee, I inspected the site with the President, Municipal Council, and Mr. Rudrappa and other leading Lingayat gentlemen, and suggested some improvements in locating the kitchen blocks at a convenient distance from the main building. The plan showing the proposed alteration of the kitchen lines is herein enclosed for perusal. Mr. J. Rudrappa, President of the Hostel Committee, makes an application for an additional extent of ¾ acre for the purpose of constructing the kitchen block.

This application and the map had been forwarded to the President, Tumkur Municipality, for favour of opinion and the President states, in his reply, that he has no objection to the grant of the additional extent provided the kitchen lines do not come too near the Musafirkhana building.

I request therefore that the Government may kindly be moved to grant the additional extent of ¾ acre at an upset price of Rs.200/- an acre for ~~constructing~~ constructing the kitchen block.
